## Summary

A frontend developer who is an expert. I have been developing websites for the past year, using a keen eye for interactive design to create pixelperfect code that translates static design concepts into engaging digital experiences. The main areas of focus are HTML5/CSS3 and JavaScript. I am experienced in developing Single Page Applications.

## Education

### University of Cape Coast

Bachelor of Science, Computer Science

2020 - 2024

A passionate young adult who is always thinking ahead to change the world through technology.

## Skills

Web Development • Communicator • HTML5 • Cascading Style Sheets (CSS) • JavaScript • Python (Programming Language) • C++
